## Auxiliary President's Report

### A Season of Service: December Highlights and Looking Ahead to 2026

The month of December was hectic for our Auxiliary, filled with the spirit of giving and community connection. As we reflect on a successful holiday season, we also look forward to an impactful 2026.

### December Reflections: Making a Difference

Our members were hard at work throughout the month, ensuring our veterans and community felt the holiday cheer:

**The Angel Tree:** A huge thank you to Karen and Tommy Northcutt, as well as Jim and Carol Blake, for delivering Toys from the Angel Tree to local children. We are so grateful to everyone who donated toys or funds to make this possible.

**Spreading Cheer to Veterans:** Cindy Titler successfully delivered 450 signed cards and candy canes to veterans at Bennett Nursing and Rehab, Cashe State Veterans Home, and Addington Place Assisted Living and Memory Care.

**Downtown Market Meet & Greet:** On December 20, Auxiliary and Post members teamed up for a "Meet and Greet" tent. We passed out frisbees, water bottles, and VFW program information. Thank you to everyone who volunteered!

**Support for the Deployed:** We sent Christmas Care Packages to Post member Logan Herd and his five direct reports currently deployed. These packages included snacks, candy, games, and personal items. Please keep these brave individuals in your thoughts and prayers until their safe return.

### Urgent: Annual Auxiliary Membership Dues

If you have not yet paid your membership dues, please turn them in immediately. We are currently in a very small grace period window.

**Important:** Any member who did not pay their dues by December 31, 2025, will be required to be signed in by a current member to enter the Post until their dues are officially received and recorded.
