Auxiliary President's Report

The months of June and July have brought many activities to Post 4228, some good and others not so good. Yet, we have and will continue to persevere. One of my goals as the new Auxiliary President is to find out why so many people do not want to volunteer to assist the Post. I cannot stress enough; volunteering is of the utmost importance when it comes to a non-profit organization. By working together as one, we can accomplish so much more to make Post 4228 a place where people want to be again. Now I would like to send out a thanks Shane on his continuing efforts with membership and the help from Judy and Post members Gregg, Bill, and Ana.

Thank you to all of those who stopped by for dinner and to supported us at Village Inn "Spirit Night" Another gracious thanks go out once again to all those who stepped up and cooked and cleaned in the kitchen, both scheduled and at the last minute. Of course, we cannot forget everyone else who works hard around the post, our bartenders, canteen manager, volunteers, maintenance, officers and anyone else I may have forgotten.

Please remember you are all appreciated!

Thursday at 6 P.M.

**1st & 3rd Sundays at
1 P.M.**

**Mondays at 7:00 P.M.
